GOOD NEWS FROM OPERATION RESCUE COLORADO

Taking Truth to School

With excitement we look forward to this spring. It's not the weather we are anticipating but the return to the high schools with the message of the gospel. It will be our eleventh year at the schools. We will stand on the public sidewalk and tell the students the truth about Jesus, abortion and sex. We will present a message about Jesus that many of them have never heard. Sure they have heard His name – as a cuss word, but so many have never heard the personal message that He can forgive their sins and change their life.

We will tell them the truth about abortion. When we leave they will know that abortion is a brutal act that destroys a living human being. They will also know that the child's mother will not escape unharmed. They will hear of the medical and emotional trauma she will experience.

We will tell them the truth about sex. We will present a message of hope. They will understand that they are not animals in heat but are capable of self-control and deserve to experience God's best concerning sex. They will hear that God intended sex to exist in the context of marriage – one man and one woman united for life.

We are ready with a schedule, signs, and literature but one more thing is critical: people! Think about coming out and joining us. Every time we have gone to a school in the past ten years we could have used more people. We need prayer warriors, sign holders, and others to pass out literature. If you have never come out, it may seem intimidating but once there, you will find that it is much easier than you would think.

What an incredible opportunity we have. Think over what you can do to be a part. If you are absolutely unable to join us then consider a financial gift that will help pay for the literature we pass out.

We can impact lives for eternity. Join us in the joy and reward!

\$\$\$

You are invited to help support this ministry as we stand at the abortion clinic, hospital, at the schools and with the banner.

Each time we go to one of the high schools we pass out about \$60.00 of literature. Thanks to generous donors we are able to do this.

Would you consider a donation to this lifesaving work?

Old Computer?

It would be helpful to upgrade our office computer to Windows XP. Would you have either a desktop or laptop with XP on it that you no longer need? We could put it to good use. If so, please call us at 303-237-4146 or email at or.colo@bigfoot.com

St. Anthony Hospital

16th & Raleigh

Harvey Cohen and Gail Womack are abortionists who have staff privileges at St. Anthony Hospital.

Although abortions are not done at St. Anthony, we feel that doctors who routinely kill children should not be trusted with life and death medical decisions.

The patients of these doctors need to know that the doctor who will be delivering their baby could have just finished killing another child.

CRL Event

Join Colorado Right to Life and Featured Speaker Dr. Alan Keyes on Wednesday, April 25 at 1:30

Old Supreme Court Chambers at the State Capitol to commemorate the millions lost to abortion since America's first law passed in Colorado April 25, 1967

Banner Display

This summer will mark many opportunities to witness for life. The City of Denver outlawed the banner on the overpass so we will be taking it to other locations. Thousands of cars pass by during these times as the banner proclaims:

ABORTION KILLS CHILDREN

THE COHEN / WOMACK PROJECT

If we are going to have an impact on our society regarding abortion, we must show that we care. We must put feet to our prayers. Over 40 children in the womb are killed every working day in Colorado.

**PICKET THE ABORTION MILL
255 Union Blvd.**

**Our present schedule is as follows:
Every Monday - 11:00 a.m. to 12:00 p.m.**

BEHAVIOR

Act as Jesus would. Pray and ask God to convict by His Holy Spirit. Be repentant and have an attitude of humility; this holocaust resulted from our apathy. Be peaceful and nonviolent in word and deed.
