GOOD NEWS FROM OPERATION RESCUE COLORADO

What Now?

Our last US President set out to fundamentally transform America. We hope our new president can turn back most of those changes. I think we have to be patient while persevering in prayer. There was an incredible amount of damage done and making changes will not be easy.

Our hope must be in God and not people. Here is the basis of our prayer:

*The king's heart is like channels of water
in the hand of the Lord;
He turns it wherever He wishes.*
Proverbs 21:1

It's easy to criticize, it's harder to hope and pray and work to bring about change. What practical thing can you do to help?

We could use your help this fall at the High Schools. We have an amazing opportunity to shine the light of truth and love to thousands of students. Would you give strong consideration to coming out to at least one of the schools?

We will be taking the truth about Jesus, abortion and sex to local high schools. When we hand literature to someone at a school they are challenged with the truth about abortion. Sometimes a conversation results and in every case, the Holy Spirit - the spirit of truth begins to work in their heart.

We also have two opportunities every week at the abortion clinic to reach out to the women entering there and the people who walk past and drive by. The place we go to is a family practice doctor's office and an abortion clinic. Most of the family practice patients do not know that abortions are done there and many are bothered by that. It is truly shining a light in a dark place. Your involvement can help make a big difference.

Pray that the Supreme Court will be filled with righteous judges.

Thank you to each of you who have prayed, joined us at the schools or abortion clinic or have supported us financially. We are all in this together and what you have done has helped make possible all of the things we have been able to do.

We Need Your Help

We have amazing opportunities ahead of us that require people and money. Would you join us in prayer that those needs will be met?

Would you also consider joining us at the abortion clinic or the high school? We would love to have you with us. If you have never come before, it's not as scary as it may seem but immensely rewarding.

We also appreciate your financial help. All of us are volunteers and our office space is donated. All of the funds that come in are used to change minds and hearts. Thanks for your involvement!

“HEALTHY FUTURES” PROJECT

Healthy Futures for Women is an abortion clinic in Englewood, Colorado. The abortionist is Stephen Hinds. On their website they boast that he has killed thousands. Steve Hinds does abortions through 20 weeks.

We normally picket Tuesday and Thursday. If you would like to join us, give us a call to get the current times. Here is a great opportunity to show your passion for the unborn and their mothers.

PICKET THE ABORTION MILL

300 East Hampden

Come Thursday from 2:00 - 3:00 p.m.

Except for horrible weather days.

If you are new, call first.

Some of the things we can pass out at the High Schools and abortion clinic.

Here is our code of conduct:

We want to represent Christ in word and deed. We need to absorb any barbs that come our way and not respond with the same kind of stuff. Ephesians 4:29 says this: “Do not use harmful words, but only helpful words, the kind that build up and provide what is needed, so that what you say will do good to those who hear you.”

People will think of their encounter with us for a long time.

We want to make sure that it is something God can use to work on their heart and not something He wishes we didn't do or say.
