GOOD NEWS FROM OPERATION RESCUE COLORADO

A Window of Mercy

Before the last Presidential election, my daily prayer was that God would have mercy on our country. It seemed that we were at a crossroads with a ledge nearby.

In a surprise to many, Donald Trump was elected. Hillary Clinton is still trying to figure out why. Many good people were firmly against Trump, vowing to never vote for him. Many held to that position and some continue to oppose him now. His personal life and continual provoking words were too much.

While the purpose here is not to defend Trump or beat the drum for him, I do think we have been granted mercy by God. In a mystery, hard or impossible to understand sometimes, God does place people in authority to accomplish his purposes and many times those people are not the ones that we would have chosen. *"The king's heart is a stream of water in the hand of the Lord; he turns it wherever he will."* Proverbs 21:1

We have been given a window of mercy at this time. I think God is working through the imperfect person of Donald Trump. It's not even just the things he is doing and promoting himself but the people he has put in cabinet positions and other areas of authority. Many strong prolife and pro-family people have been appointed to high level positions.

It is encouraging to see all of the good policies and pro-family changes that are coming out of Washington. Here are some of the changes: Mike Pence, Neil Gorsuch, conscience protections, Mexico City policy, defunding the United Nations Population Fund, overturning Obama-era regulation preventing states from defunding Planned Parenthood, repealed Obama's transgender public school bathroom mandate, and birth control mandate rolled back.

Thank God for his mercy! If Hillary Clinton had been elected, I think that would have signaled God's judgement on our country and we would be in a completely different place right now.

I know that Trump can be very polarizing. As I said my goal here was not to defend him but to muse on the goodness and mercy of God.

I would be glad to hear your thoughts.

In the service of King Jesus,

We Need Your Help

We have amazing opportunities ahead of us that require people and money. Would you join us in prayer that those needs will be met?

Would you also consider joining us at the abortion clinic or the high school? We would love to have you with us. If you have never come before, it's not as scary as it may seem but immensely rewarding.

We also appreciate your financial help. All of us are volunteers and our office space is donated. All of the funds that come in are used to change minds and hearts. Thanks for your involvement!

“HEALTHY FUTURES” PROJECT

Healthy Futures for Women is an abortion clinic in Englewood, Colorado. The abortionist is Stephen Hinds. On their website they boast that he has killed thousands. Steve Hinds does abortions through 20 weeks.

We normally picket Tuesday and Friday. If you would like to join us, give us a call to get the current times. Here is a great opportunity to show your passion for the unborn and their mothers.

PICKET THE ABORTION MILL

300 East Hampden

Come Friday from 2:00 - 3:00 p.m.

Except for horrible weather days.

If you are new, call first.

Some of the things we can pass out at the High Schools and abortion clinic.

Here is our code of conduct:

We want to represent Christ in word and deed. We need to absorb any barbs that come our way and not respond with the same kind of stuff. Ephesians 4:29 says this: “Do not use harmful words, but only helpful words, the kind that build up and provide what is needed, so that what you say will do good to those who hear you.”

People will think of their encounter with us for a long time.

We want to make sure that it is something God can use to work on their heart and not something He wishes we didn't do or say.
