GOOD NEWS FROM OPERATION RESCUE COLORADO

## Harvest Time

*And Jesus went throughout all the cities and villages, teaching in their synagogues and proclaiming the gospel of the kingdom and healing every disease and every affliction. When he saw the crowds, he had compassion for them, because they were harassed and helpless, like sheep without a shepherd. Then he said to his disciples, "The harvest is plentiful, but the laborers are few; therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest."*  
Matthew 9:35-38

Every time we go to the High Schools to pass out literature this verse of Scripture comes to mind. I don't think I have ever felt we have had enough harvesters at the schools. There are students streaming by that we are not reaching and exits we are not covering. I see what Jesus was talking about.

We need three things for a successful harvest at the schools. First is prayer, then literature to pass out and third is people to help pass it out. You can help us with all of this.

The literature is being made ready. Thousands of prolife magazines are being stuffed with a flier that we produce with our contact information, the truth about "safe sex" and a challenge to know the truth about abortion and salvation through Jesus.

We pass out models of what a 10 week old baby looks like. Something amazing happens when a student sees the truth with their eyes and feels it with their hands. We also pass out pins with the

feet of a 10 week old baby. Does a blob of tissue have toes?

Another resource is a computer CD with a prolife presentation and filled with other valuable information.

**To make all of this possible we need money and people. Would you look at the school schedule on the back page of this newsletter and see if you can join us at one of the schools? Another way you can help is to make a financial contribution. Help us have an abundance of resources to give to the students.**

**Finally, would you pray for all the work that we do?** In addition to the schools we go to two abortion mills on various days of the week. We need God's miracle working power in all of this. We need wisdom, protection and encouragement. We want to see God glorified, babies saved and mothers protected.

As we all work together we can have an abundant harvest this year. Thank you for your help.

**Help save the babies!**

**255 Union Blvd.**

Our present schedule is as follows:

Every Monday - 11:00 a.m. to 12:00 p.m.

## **Here is our code of conduct:**

We want to represent Christ in word and deed. We need to absorb any barbs that come our way and not respond with the same kind of stuff. Ephesians 4:29 says this: "Do not use harmful words, but only helpful words, the kind that build up and provide what is needed, so that what you say will do good to those who hear you."

People will think of their encounter with us for a long time.

We want to make sure that it is something God can use to work on their heart and not something He wishes we didn't do or say.
