GOOD NEWS FROM OPERATION RESCUE COLORADO

Where We Stand

The following statement is heartbreaking to make. Operation Rescue Colorado must distance itself from Colorado Right to Life and Flip Benham's Operation Save America.

We have had a good working relationship with both groups since 1989. What has made the difference now is the change in demeanor and divisive stance of these groups as evidenced by the "Open Letter to James Dobson" that both groups have been behind.

The basis for this dispute is the *Gonzales v. Carhart* (Partial Birth Abortion) ruling from the US Supreme Court. Colorado Right to Life released an analysis of the ruling that is skewed and incorrect. The ruling takes a fair amount of time to read and legal understanding is needed to comprehend what the ruling will and will not do as well as the impact it will make on future abortion rulings.

It is expected that in any kind of ministry there will be differences of opinion on how to best accomplish a task. What happened with the Dobson letter was that a personal attack was made on a man who differed with these groups and he was called to repent. It was nothing short of a publicity stunt and cheap shot at a target that would generate a lot of media attention. The attitude has been adopted that they are right and most other prolife groups and individuals are acting wickedly.

It should also be noted that the present leadership of Colorado Right to Life is now completely different than in the past. This also has been accomplished by unethical means. The historical Colorado Right to Life exists no longer. In the past, Colorado Right to Life had been a principled organization that worked very hard to make sure their actions and the laws they supported were pleasing to God. Now the new leadership seems to be taking an end justifies the means approach to how they are organized and how they operate.

The purpose of this statement is not to make an in depth analysis of the dispute but to make the public and our supporters aware of where Operation Rescue Colorado stands. Plenty of information already is available that refutes the position that Colorado Right to Life and Operation Save America have taken. See this statement at orcolo.com for a link.

As stated before, we sadly announce that we can no longer support the present leadership of Colorado Right to Life or Operation Save America. We also encourage you to reconsider whether you should support them financially or in any other way.

\$\$\$

You are invited to help support this ministry as we stand at the abortion clinic, hospital, at the schools and on the street.

Each time we go to one of the high schools we pass out about \$60.00 of literature. Thanks to generous donors we are able to do this.

Would you consider a donation to this lifesaving work?

Has it been a while since you have been to the abortion mill? Did you use to be a lot more involved in prolife work than you are now? Do the high schools seem intimidating? Did you donate in the past?

We need you! There are so many opportunities where your gifts can be out to use. Please?

St. Anthony Hospital

16th & Raleigh

Harvey Cohen and Gail Womack are abortionists who have staff privileges at St. Anthony Hospital.

Although abortions are not done at St. Anthony, we feel that doctors who routinely kill children should not be trusted with life and death medical decisions.

The patients of these doctors need to know that the doctor who will be delivering their baby could have just finished killing another child.

This summer has marked many opportunities to witness for life at 6th Ave and Lincoln in Denver. Thousands of cars pass by during these times as the banner proclaims:

ABORTION KILLS CHILDREN

THE COHEN / WOMACK PROJECT

If we are going to have an impact on our society regarding abortion, we must show that we care. We must put feet to our prayers. Over 40 children in the womb are killed every working day in Colorado.

**PICKET THE ABORTION MILL
255 Union Blvd.**

**Our present schedule is as follows:
Every Monday - 11:00 a.m. to 12:00 p.m.**

BEHAVIOR

Act as Jesus would. Pray and ask God to convict by His Holy Spirit. Be repentant and have an attitude of humility; this holocaust resulted from our apathy. Be peaceful and nonviolent in word and deed.
