We Need You

We are about to begin the fall *God is Going Back to School Campaign*. We will stand on the sidewalk of area high schools, pass out literature and seek to talk to the students.

We have some incredible resources to hand out this fall. The *Truth Unmasked* CD and *Just for Girls / Just for Guys* magazine are targeted to high school students. They eagerly receive these resources.

We really need your help. We need prayer support, we need financial support and we need help in passing out the materials.

The high schools have been one of the most fruitful ministries we do. Year after year we see the change that comes when the students are challenged with the truth. As hard as it is to believe, many of them have never heard the message we bring. The sad truth is that we never have enough help.

We will begin an exciting new project in a few weeks. The details will be announced through the InfoLine and the next newsletter. If you don't get the InfoLine calls make sure to write down your phone number on the enclosed coupon and send it to us. You will want to know all about this lifesaving campaign.

Finally, we really need your financial gifts. Contributions have been down this year. That is the honest reality. As you know, we are all volunteers, don't pay for office space and all of your gifts go directly to front line prolife work. Can you help us at this time? It would make a big difference in our work to protect the unborn.

Your School?

We would like to expand the list of schools where we pass out literature. Is there one in your neighborhood that would be a good candidate?

The *God is Going Back to School Campaign* has been incredible in its ability to reach students with the truth. Give us a call with the name and address of the school and we will take it from there.

Has it been a while since you have been to the abortion mill? Did you use to be a lot more involved in prolife work than you are now? Do the high schools seem intimidating? Did you donate in the past?

We need you! There are so many opportunities where your gifts can be out to use. Please?

St. Anthony Hospital

16th & Raleigh

Harvey Cohen and Gail Womack are abortionists who have staff privileges at St. Anthony Hospital.

Although abortions are not done at St. Anthony, we feel that doctors who routinely kill children should not be trusted with life and death medical decisions.

The patients of these doctors need to know that the doctor who will be delivering their baby could have just finished killing another child.

This summer has marked many opportunities to witness for life at 6th Ave and Lincoln in Denver. Thousands of cars pass by during these times as the banner proclaims:

ABORTION KILLS CHILDREN

THE COHEN / WOMACK PROJECT

If we are going to have an impact on our society regarding abortion, we must show that we care. We must put feet to our prayers. Over 40 children in the womb are killed every working day in Colorado.

**NEW PROJECT
COMING SOON**

**PICKET THE ABORTION MILL
255 Union Blvd.**

Our present schedule is as follows:
Every Monday - 11:00 a.m. to 12:00 p.m.

BEHAVIOR

Act as Jesus would. Pray and ask God to convict by His Holy Spirit. Be repentant and have an attitude of humility; this holocaust resulted from our apathy. Be peaceful and nonviolent in word and deed.
