**GOOD NEWS FROM OPERATION RESCUE COLORADO**

## Immediate Results

In a few weeks we will be taking the truth about Jesus, abortion and sex to local high schools. In the spring we were able to go to six different schools. We are always able to pass out hundreds of pieces of literature and get to talk to many students.

When we hand literature to someone at a school or the abortion clinic, something happens immediately. They are confronted with the truth about abortion. For many, it is the first time; it is information they have never seen before. Sometimes a conversation results and in every case, the Holy Spirit - the spirit of truth begins to work in their heart.

There is also much we do that involves planting of seeds where time is necessary for results. We faithfully do ministry and many times don't get to see the fruit; God is the one who gives the growth. That is good to know; we don't have to use human wisdom or power and we don't have to fret.

We try to use the best tools possible when we go to the schools and abortion clinics and have some very powerful information that we pass out. One piece is a magazine that is designed to grab the attention of high school students. It has separate sections for guys and girls. We also pass out a computer CD that is a prolife presentation and is packed with good information. There are 12-week fetal models and 10-week feet pins that we make available too. Each of these are expensive resources but thanks to generous donors we are able to pass them out in large quantities.

We also go to two different abortion mills every week. We picket, pass out information and talk to people going by. God has blessed our work in both places.

**The biggest need we have is people. We can always use more people at the schools and at the abortion clinic. We invite you to join us at both.**

The information we pass out provides a truthful contrast to the lies the students are being told. At the abortion clinic we demonstrate that abortion is not the solution many think it will be. We thank you for helping make these ministries possible through your prayers, contributions and joining us when you can. Each small action combines to make a miracle.

**\$\$\$**

Even with the economy having trouble, we have been blessed by God. We have had funds for all of our projects. We give praise to Him for that.

An ongoing expense is literature and the other things we pass out at the schools and abortion clinic. With generous donors we are able to buy high quality materials and give them out in large quantities.

Giving has been down a little this year. If you are able we would appreciate if you could help this ministry continue to have an abundance of funds so we are able to take advantage of all the opportunities that come our way.

It is good to know that God has blessed us in the past and will continue to guide us in the future through His provision. Thanks you for your part in this.

**Please consider what you can do to help in this great work.**

## **Your School?**

We would like to expand the list of schools where we pass out literature. Is there one in your neighborhood that would be a good candidate? Give us a call and we will take it from there.

## **“HEALTHY FUTURES” PROJECT**

**Healthy Futures for Women** is an abortion clinic in Englewood, Colorado. The abortionist is Stephen Hindes. On their website they boast that he has killed thousands. Steve Hindes does abortions through 20 weeks.

We normally picket Tuesday, Wednesday and Friday. We are plugging new people in on Fridays. Here is a great opportunity to show your passion for the unborn and their mothers.

### **PICKET THE ABORTION MILL**

**300 East Hampden**

**Come any Friday from 2:30 - 3:30 p.m.**

Except for horrible weather days.

## **THE COHEN / WOMACK PROJECT**

Harvey Cohen and Gail Womack are doctors of Obstetrics & Gynecology who do abortions at this Lakewood office. We want their other clients to know about this.

**255 Union Blvd.**

**Our present schedule is as follows:**

**Every Monday - 11:00 a.m. to 12:00 p.m.**

### **Here is our code of conduct:**

We want to represent Christ in word and deed. We need to absorb any barbs that come our way and not respond with the same kind of stuff. Ephesians 4:29 says this: “Do not use harmful words, but only helpful words, the kind that build up and provide what is needed, so that what you say will do good to those who hear you.”

People will think of their encounter with us for a long time.

We want to make sure that it is something God can use to work on their heart and not something He wishes we didn't do or say.
