GOOD NEWS FROM OPERATION RESCUE COLORADO

## Light Into Darkness

All you have to do is show up; your arrival will make things different and better. You are light and you dispel darkness.

Matthew 5:14-16: *You are the light of the world. A city set on a hill cannot be hidden; nor does anyone light a lamp and put it under a basket, but on the lampstand, and it gives light to all who are in the house. Let your light shine before men in such a way that they may see your good works, and glorify your Father who is in heaven.*

Dark is the absence of light. When you turn on a light, the darkness is driven out. In the same way, we can do this in the world. We can be the light that drives out sin. All we have to do is show up.

As we look around we can see that the world is trying to silence Christians. The world is trying to intimidate us and keep us from showing up. Without our voice and presence the world will get farther from a source of light and life will become darker.

Some people say that the reason the abortion clinic stays open is because the church allows it to. Can you imagine the difference if the church showed up. What if hundreds of Christians showed up and shined their light. What if only two did? The light would still prevail. What if you were one of the two?

**We really need your help this fall at the High Schools.** We have an amazing opportunity to shine the light of truth and love to thousands of students. Would you give strong consideration to coming out to at least one of the schools?

We will be taking the truth about Jesus, abortion and sex to local high schools. When we hand literature to someone at a school they are challenged with the truth about abortion. Sometimes a conversation results and in every case, the Holy Spirit - the spirit of truth begins to work in their heart.

We try to use the best tools possible when we go to the schools. One piece is a magazine that is designed to grab the attention of high school students. It has separate sections for guys and girls. We also pass out a computer CD that is a prolife presentation and is packed with good information. There are 12-week fetal models and 10-week feet pins that we make available too. Each of these are expensive resources but thanks to generous donors we are able to pass them out in large quantities.

**The biggest need we have is people. We need someone just like you to join us. Look at the schedule to the right and see if that can happen.**

**\$\$\$**

We have been blessed by God. We have had funds for all of our projects. We give praise to Him for that.

An ongoing expense is literature and the other things we pass out at the schools and abortion clinic. With generous donors we are able to buy high quality materials and give them out in large quantities.

If you are able, we would appreciate if you could help this ministry continue to have an abundance of funds so we are able to take advantage of all the opportunities that come our way.

It is good to know that God has blessed us in the past and will continue to guide us in the future through His provision. Thanks you for your part in this.

**Please consider what you can do to help in this great work.**

## **Your School?**

We would like to expand the list of schools where we pass out literature. Is there one in your neighborhood that would be a good candidate? Give us a call and we will take it from there.

## **Life Connection Information Line**

**303-237-4146**

We send out alerts about what we are doing at the High Schools and other special events.

Make sure we have your current phone number so you can receive the InfoLine alerts.

## **“HEALTHY FUTURES” PROJECT**

**Healthy Futures for Women** is an abortion clinic in Englewood, Colorado. The abortionist is Stephen Hines. On their website they boast that he has killed thousands. Steve Hines does abortions through 20 weeks.

We normally picket Tuesday and Thursday. If you would like to join us, give us a call to get current times. Here is a great opportunity to show your passion for the unborn and their mothers.

### **PICKET THE ABORTION MILL**

**300 East Hampden**

**Come Thursday from 2:00 - 3:00 p.m.**

Except for horrible weather days. Call first if you are new.

## **THE COHEN / WOMACK PROJECT**

Harvey Cohen and Gail Womack are doctors of Obstetrics & Gynecology who do abortions at this Lakewood office. We want their other clients to know about this.

**255 Union Blvd.**

**Our present schedule is as follows:**

**Every Monday - 11:00 a.m. to 12:00 p.m.**

### **Here is our code of conduct:**

We want to represent Christ in word and deed. We need to absorb any barbs that come our way and not respond with the same kind of stuff. Ephesians 4:29 says this: “Do not use harmful words, but only helpful words, the kind that build up and provide what is needed, so that what you say will do good to those who hear you.”

People will think of their encounter with us for a long time.

We want to make sure that it is something God can use to work on their heart and not something He wishes we didn't do or say.
