GOOD NEWS FROM OPERATION RESCUE COLORADO

Some Thoughts

We need your help!

We have amazing opportunities ahead of us that require people and money. Would you join us in prayer that those needs will be met?

Would you also consider joining us at the abortion clinic or the high school? We would love to have you with us. If you have never come before, it's not as scary as it may seem but immensely rewarding. Would you commit to joining us at least one time? Your presence could really make a difference.

War

For though we walk in the flesh, we are not waging war according to the flesh. For the weapons of our warfare are not of the flesh but have divine power to destroy strongholds. We destroy arguments and every lofty opinion raised against the knowledge of God, and take every thought captive to obey Christ.
2 Corinthians 10:3-5

Every day I am reminded that we are in a battle for the future of our country. We see the battle manifested in things we can see with our eyes such as the political and social realm. We do have to work and fight for truth in those areas but it will help us a lot to remember that the roots of the battle are in the heavenly realm. The devil wants to steal, kill, and destroy. He wants abortion and immorality to become virtues. How encouraging that we can be a part of shining light in times of darkness. Every good action makes a huge difference.

Action

A couple practical things we can do are to bring truth to the high schools and abortion clinic. When we show up, we bring the presence of Christ and the literature we hand out is a way for the Holy Spirit to bring truth. It really does make a difference. At the schools, I am always reminded that many of the young students have never heard the message we bring.

How then will they call on him in whom they have not believed? And how are they to believe in him of whom they have never heard? And how are they to hear without someone preaching? And how are they to preach unless they are sent? As it is written, "How beautiful are the feet of those who preach the good news!" Romans 10:14-15

For Their Sake We Act

7 weeks

Has it been a while since you have been to the abortion mill? Did you use to be a lot more involved in prolife work than you are now? Do the high schools seem intimidating? Did you donate in the past?

We need you! There are so many opportunities where your gifts can be put to use. Please?

“HEALTHY FUTURES” PROJECT

Healthy Futures is an abortion clinic in Englewood, Colorado. The abortionist is Stephen Hindes. On their website they boast that he has killed thousands. Steve Hindes does abortions through 20 weeks.

We normally picket on Tuesday and Friday. If you would like to join us, give us a call to get current times. Here is a great opportunity to show your passion for the unborn and their mothers.

PICKET THE ABORTION MILL

300 East Hampden

Come Friday from 2:00 - 3:00 p.m.

Except for horrible weather days.

If you are new, call first.

Here is our code of conduct:

We want to represent Christ in word and deed. We need to absorb any barbs that come our way and not respond with the same kind of stuff. Ephesians 4:29 says this: “Do not use harmful words, but only helpful words, the kind that build up and provide what is needed, so that what you say will do good to those who hear you.”

People will think of their encounter with us for a long time.

We want to make sure that it is something God can use to work on their heart and not something He wishes we didn't do or say.

Some of the things we can pass out at the High Schools and abortion clinic.
