GOOD NEWS FROM OPERATION RESCUE COLORADO

## President Trump's Many Pro-Life Accomplishments

*President Donald Trump is widely recognized as the most pro-life U.S. president in history. He has also done much to protect religious liberty.*

As President, Mr. Trump has:

- \* Signed a bill that allowed states to defund Planned Parenthood of Title X (family planning) funding, reversing an Obama attempt to force states to fund abortion providers.
- \* Reversed an Obama Administration policy that blocked states from deciding if Planned Parenthood should be stripped of Medicaid funding.
- \* Finalized the Protect Life Rule, cutting Planned Parenthood's federal funding by \$60 million.
- \* Reinstated the Mexico City Policy that ends federal funding of overseas abortions. The Protecting Life in Global Health Assistance program safeguards more than \$8.8 BILLION in overseas aid from being used for abortions.
- \* Defunded the United Nations Population Fund (UNFPA) which supported China's population control program (which includes forced abortions).

\* Appointed almost 300 federal judges including two Supreme Court justices – who should uphold the pro-life view that all life is sacred from the moment of conception.

\* Urged Congress to vote to protect innocent human life by asking members to pass the following bills:

No-Taxpayer Funding for Abortion and Abortion Insurance Full Disclosure Act of 2019

Pain-Capable Unborn Child Protection Act

Born-Alive Abortion Survivors Protection Act

\* Issued new guidance ensuring hospitals provide medical care to infants who survive abortions

\* Proposed numerous resolutions to fight Obama-era pro-abortion policies:

Require Obamacare insurers to issue separate invoices for abortion coverage.

Require Obamacare insurers to provide clients an identical plan in the same geographic area that does not provide coverage of abortion.

Reverse the Obama policy that made recipients of certain federal funding provide abortions.

\* Taken the pro-life movement to the world stage: The administration opposes

the efforts of the United Nations to make abortion an international human right.

\* Taken steps to protect pro-life organizations from having to provide abortion referrals or cover abortion in their health insurance plans.

\* Spoken in person at the 2020 National March for Life

\* Proclaimed January 22, 2020 as National Sanctity of Human Life Day.

\* The Department of Health and Human Services (HHS) has dramatically shifted in placing value on the unborn:

Funding for fetal tissue research — which uses aborted human body parts — has been cut.

HHS' newly created Conscience and Religious Freedom Division fights for doctors, nurses, and other health care professionals who do not wish to have any part in abortions.

The Trump-Pence administration is protecting all Americans' First Amendment Rights. At the 2020 RNC many speakers strongly defended the rights of the unborn.

## Pray For the High School Students

With so many schools not meeting in person this fall, we decided that one way we can help them is through prayer. Normally we would be there in person to hand them literature but this fall we will pray and trust that the Holy Spirit will reach into their hearts wherever they are. We invite you to join us in this prayer project. In the coming weeks would you take some time each day to think about the listed schools and the students. Let God guide your prayer and know that a good work will be done.

## For Their Sake We Act

7 weeks

Has it been a while since you have been to the abortion mill? Did you use to be a lot more involved in prolife work than you are now? Do the high schools seem intimidating? Did you donate in the past?

**We need you!** There are so many opportunities where your gifts can be put to use. Please?

## Life Connection Information Line 303-237-4146

We send out alerts about what we are doing at the High Schools and other special events.

Make sure we have your current phone number so you can receive the InfoLine alerts.

## “HEALTHY FUTURES” PROJECT

**Healthy Futures for Women** is an abortion clinic in Englewood, Colorado. The abortionist is Stephen Hines. On their website they boast that he has killed thousands. Steve Hines does abortions through 20 weeks.

We normally picket Monday and Tuesday. If you would like to join us, give us a call to get the current times. Here is a great opportunity to show your passion for the unborn and their mothers.

### Here is our code of conduct:

We want to represent Christ in word and deed. We need to absorb any barbs that come our way and not respond with the same kind of stuff. Ephesians 4:29 says this: “Do not use harmful words, but only helpful words, the kind that build up and provide what is needed, so that what you say will do good to those who hear you.”

People will think of their encounter with us for a long time.

We want to make sure that it is something God can use to work on their heart and not something He wishes we didn't do or say.
