# CLIFE CONNECTION

GOOD NEWS FROM OPERATION RESCUE COLORADO

## A Time to Rejoice A Time to Weep

Christmas is a time to rejoice. We celebrate the birth of Jesus our Savior. We celebrate that God became a man and came to this earth to die for our sins. Because of what Jesus did, it is possible for us to be forgiven and we are given new life in Him.

This year is also a time to weep as we think of the young people killed in the shootings at YWAM and New Life Church. We can also weep that another year has passed and abortion remains legal.

I went to the funeral of the young man who did the killing. I had known him and his family for many years. The pastor who led the funeral reminded us of what Christmas is all about. Jesus came into a sinful world to bring redemption. He reaches out to each of us, wanting to free us from our bondage. We were encouraged to take the message of love, grace and forgiveness out into the world with us.

It's because of what He has done for us that we go into the world and make a difference. Because of Him we go to the abortion mill and proclaim not only that abortion is wrong but also that there are better solutions to the

problems that are being faced by an unwanted pregnancy.

Because of Him we go to the high schools and proclaim Truth that many of the students have never heard. We call them out of their dark vacuum into His marvelous light and abundance.

It is Jesus who sets the captive free, the abortionist free

and who gives a lost generation of high schoolers hope and a reason to live.

The question to each of us during this time of rejoicing is: "Are we spreading good cheer? Are we taking the magnificent message of what God has done to those who need it? Is our light up on a hill or under a bushel? Are we thanking God for what He has done for us by manifesting Him to others?"

Let's rejoice in what God has done for us and be all He wants us to be in the new year. God's best to you!

## God Went Back to School

What a productive time we had at the high schools this year. The *God is Going Back to School Campaign* always pays high dividends. **Here is the list of schools we went to: Columbine, Kennedy, Hinckley, Mullen, North, Lakewood, Pomona, St. Mary's and South.**

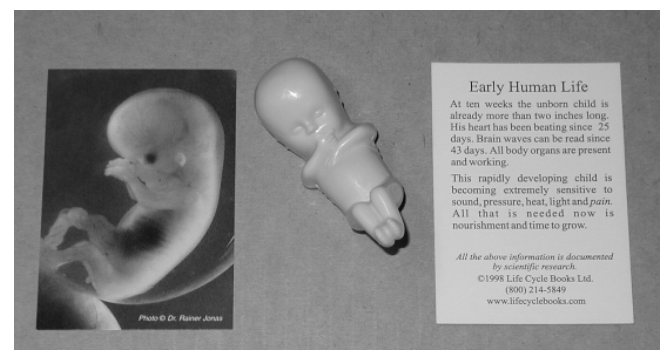

We are always guaranteed a crowd when we show up. As always, we were able to pass out much literature and had many conversations with the students.

We continue to hand out plastic fetal models to the students who want them. The model is a life size ten week old baby. Something amazing happens when the students hold the baby in their hands. So many are amazed to see the fingers and toes. They are surprised how big the baby is at that stage of development. With the models, we hand out a full color card that shows a photo of a ten week baby on one side and the details of fetal development on the other. We also hand out the "little feet" pins.

Thousands of pieces of literature were passed out. Many times we see the students reading and discussing what it says.

Another resource we pass out is the *Truth Unmasked* CD. It is a complete prolife presentation that they can look at on their computer.

We know that God uses the words they read and the pictures they see to confront and challenge them. Continue to pray for this life changing work.

# St. Anthony Hospital

16th & Raleigh  
Call for time if interested

**Harvey Cohen and Gail Womack are abortionists who have staff privileges at St. Anthony Hospital.**

Although abortions are not done at St. Anthony, we feel that doctors who routinely kill children should not be trusted with life and death medical decisions.

The patients of these doctors need to know that the doctor who will be delivering their baby could have just finished killing another child.

## Year End \$\$\$

Many times at year end, people have a little extra money that they want to give to good ministries. May we ask to be put on that list? We would greatly appreciate whatever you could give.

Did you know that Operation Rescue Colorado has always operated completely with volunteers and has never had to pay for an office. This means that all of the gifts we receive are able to go directly into the work of saving babies, educating their mothers and reaching students at the high schools.

Our greatest expense is the literature we hand out. Every year we pass out thousands of pieces directly into the hands of young people. We also pass out fetal models, precious feet pins and CD's with a prolife presentation. The impact of these materials is huge and well worth the money spent on them.

Please consider what you can do to help in this great work.

This summer has marked many opportunities to witness for life at 6th Ave and Lincoln in Denver. Thousands of cars pass by during these times as the banner proclaims:

**ABORTION KILLS CHILDREN**

## THE COHEN / WOMACK PROJECT

If we are going to have an impact on our society regarding abortion, we must show that we care. We must put feet to our prayers. Over 40 children in the womb are killed every working day in Colorado.

**PICKET THE ABORTION MILL  
255 Union Blvd.**

**Our present schedule is as follows:  
Every Monday - 11:00 a.m. to 12:00 p.m.**

### BEHAVIOR

Act as Jesus would. Pray and ask God to convict by His Holy Spirit. Be repentant and have an attitude of humility; this holocaust resulted from our apathy. Be peaceful and nonviolent in word and deed.
