

Reprieve

There are still many unknowns but it seems God has had mercy on our country in this last election. With different results, the outcome would have guaranteed less liberty and a greater embrace of evil.

We need to pray for our National and State leaders. Their jobs will be difficult as they try to reverse some of the damage done in the past eight years. Pray that they will have the courage and resolve to fight hard and to persevere.

Proverbs 21:1 says: *The king's heart is like channels of water in the hand of the Lord; He turns it wherever He wishes.* Pray that God will do amazing and wonderful things through our elected leaders.

It has been a good year at the abortion clinic and at the schools. God has given us many opportunities at both but we could sure use many more people to join us.

Thank you to each of you who have prayed, joined us at the schools or abortion clinic or have supported us financially. We are all in this together and what you have done has helped make possible all of the things we have been a part of.

We give thanks to God for his great mercy when we deserve it the least. May we be faithful in the opportunities he gives to us.

You can make a difference!

Year End \$\$\$

Many times at year end, people have a little extra money that they want to give to good ministries. May we ask to be put on that list? We greatly appreciate whatever you can give.

Did you know that Operation Rescue Colorado has always operated completely with volunteers and has never had to pay for an office? This means that all of the gifts that we receive are able to go directly into the work of saving babies, educating their mothers and reaching students at high schools.

Our greatest expense is the literature we hand out. Every year we pass out thousands of pieces directly into the hands of young people. We also pass out fetal models, precious feet pins and CD's with a prolife presentation. The impact of these materials is huge and well worth the money spent on them.

Please consider what you can do to help with our ongoing work and this special expense.

"HEALTHY FUTURES" PROJECT

Healthy Futures for Women is an abortion clinic in Englewood, Colorado. The abortionist is Stephen Hindes. On their website they boast that he has killed thousands. Steve Hindes does abortions through 20 weeks.

We normally picket Tuesday and Thursday. If you would like to join us, give us a call to get the current times. Here is a great opportunity to show your passion for the unborn and their mothers.

PICKET THE ABORTION MILL 300 East Hampden

Come Thursday from 2:00 - 3:00 p.m.

Except for horrible weather days.

If you are new, call first.

Here is our code of conduct:

We want to represent Christ in word and deed. We need to absorb any barbs that come our way and not respond with the same kind of stuff. Ephesians 4:29 says this: "Do not use harmful words, but only helpful words, the kind that build up and provide what is needed, so that what you say will do good to those who hear you."

People will think of their encounter with us for a long time.

We want to make sure that it is something God can use to work on their heart and not something He wishes we didn't do or say.

Some of the things we can pass out at the High Schools and abortion clinic.
