GOOD NEWS FROM OPERATION RESCUE COLORADO

Short Term Mission

As we have for twenty years, we will be going to area High Schools this Spring to pass out prolife literature. We are mentioning this now so that you may consider joining us for one or multiple times.

Many people have not been able to come in the past because of work or other commitments. With time to plan ahead, would you consider taking time off work or marking your calendar so you can join in this Short Term Mission for one or more times?

There is always a great opportunity at the schools to pass out literature and engage the students. We can always use more people. Maybe you could be one of them.

Here is the schedule for this Spring: We will be going to the schools on Monday afternoons beginning April 8 through May 20, 2018. We will greet the students as they leave school for the day. We stand on the public sidewalk and pass out literature. It's usually mid to later afternoon. In total there will be 8 weeks at 8 different schools.

One reason we need your help is that some of the people who have come in the past are no longer able to. We are hoping that some of you may be able to take their place.

So please take some time to consider and pray about this. We hope you will be able to join us in the Spring.

Let us know when you can come on the enclosed card. That will help us plan.

Thank you very much!

You can make a difference!

Year End \$\$\$

Many times at year end, people have a little extra money that they want to give to good ministries. May we ask to be put on that list? We greatly appreciate whatever you can give.

Did you know that Operation Rescue Colorado has always operated completely with volunteers and has never had to pay for an office? This means that all of the gifts that we receive are able to go directly into the work of saving babies, educating their mothers and reaching students at high schools.

Our greatest expense is the literature we hand out. Every year we pass out thousands of pieces directly into the hands of young people. We also pass out fetal models, precious feet pins and CD's with a prolife presentation. The impact of these materials is huge and well worth the money spent on them.

Please consider what you can do to help with our ongoing work and this special expense.

“HEALTHY FUTURES” PROJECT

Healthy Futures for Women is an abortion clinic in Englewood, Colorado. The abortionist is Stephen Hines. On their website they boast that he has killed thousands. Steve Hines does abortions through 20 weeks.

We normally picket Tuesday and Friday. If you would like to join us, give us a call to get the current times. Here is a great opportunity to show your passion for the unborn and their mothers.

PICKET THE ABORTION MILL

300 East Hampden

Come Friday from 2:00 - 3:00 p.m.

Except for horrible weather days.

If you are new, call first.

Here is our code of conduct:

We want to represent Christ in word and deed. We need to absorb any barbs that come our way and not respond with the same kind of stuff. Ephesians 4:29 says this: “Do not use harmful words, but only helpful words, the kind that build up and provide what is needed, so that what you say will do good to those who hear you.”

People will think of their encounter with us for a long time.

We want to make sure that it is something God can use to work on their heart and not something He wishes we didn't do or say.

Some of the things we can pass out at the High Schools and abortion clinic.
