

Phil and June Harrison were on the steering committee of Operation Rescue Colorado from it's beginning in 1989 until 1993.

They were tireless prolife activists in the Colorado Springs area after that.

We will miss Phil!

"Out of the Mouths of Kids"

Remembered by mom, June

*When our children were younger, we taught them
important truths about God.*

*We were trying to explain the meaning of the
attributes of God to our children.*

*Our seven-year-old son, Mark,
helped us clarify the issue. He said,
"God is like a magnet, He never lets you go!"
July 1966*

Shout for joy, O heavens;

Rejoice, O earth;

Burst into song, O mountains!

For the Lord comforts his people

And will have compassion on his afflicted ones.

Isaiah 49:13
